(3) I think the small extent of land required (100 ft square) may be granted for the construction of the building in question, the spot being cleared and the purpose of public utility. The building may be constructed in some one corner of the plot so that space may be left for other purposes. If the building is given a good frontage, I see it will not detract from the surrounding appearance of the locality.

Draft sent to the Diwan through the 1st Vr

OFFICE OF THE MUNICIPAL COMMISSION,

City Bangalore, 21st MAY 1904 190 23

No. 275

Encls one Cuda Tracing

From

THE PRESIDENT,
Municipal Commission,
Bangalore City.

To

The Secretary to the Government
of His Highness the Maharaja of Mysore,
General & Revenue Departments,
Bangalore.

Sir,

In forwarding herewith for information and orders of Government, copies of Correspondence ending with letter No. I425 dated the 2Ist Instant from the Chief Electrical Engineer to the Government of Mysore, applying for a site I00 feet square for the location of No.I Station for the City Lighting, out of the open ground in front of the Victoria Hospital close to the road leading to the Fort, I — have the honor to state that the Dewan in his last Inspection Notes of the Bangalore City received with your docket No. 3045-L.F.64-03 dated the I7th February last, remarked that the ground should be utilised for the forma--tion of a Flower-Garden reserving sufficient land for - holding Annual Market Shows.

2. The land which the Chief Electrical Engineer desires to have is used as a Stand for Wadder-Stone-carts.

A Stand for Jutkas and single Bullock carts is also required . At present a portion of the land granted to Mr.Doddanna is used for the purpose and it will have to be given up. The Jutka and Cart Stand must, I think, be located close to the Market and its Square-the centre of business. This question requires early and definite solution.

I solicit early orders in the matter.

I have the honor to be

Sir,

Your Most Obedient Servant,

N.V.Nagarkar

B.V. PRESIDENT.

Letter No. I406/MIS dated I9th May I904 from the Chief Eletrical Engineer to the Government of Mysore to the Presi-dent, Municipal Commission, Bangalore City.

Sir,

BANGALORE POWER AND LIGHTING

Beg to acknowledge your favor No. 2663 of the I8th Instant and in reply wish to ask you whether you can give us a site directly opposite the one previously asked for that is on the right hand side of the road as you go into the Fort entrance in front of a portion of the Victoria Hospital grounds. It is almost absolutely necessary tha we should get a site at this point. Its exact location matters little so long as we have good free access to all of the several roads which divert from that point. Requesting favor of an early reply and trusting that you can see your way to assign this site to us.

I remain,

Yours very Truly,

SD/.H.P.Gibbs,
Chief Electrical
Engineer.

Letter No. 268I dated 20th May I904 from the President Municipal Commission,Bangalore City, to the Chief Electrical Engineer to the Government of Mysore,Bangalore.

Sir,

With reference to your lettr No.I406 dated the I9th Instant, I have the honor to request you to be good enough to intimate the extent of land required for the location of No. I station in connection with the Bangalore Lighting Scheme;

I have &c.,

SD/. A.S.Nagavkar,

President.

OFFICE OF THE MUNICIPAL COMMISSION,

No. 303

City Bangalore, 8/9 June 1904

From

THE PRESIDENT,
Municipal Commission,
Bangalore City.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments,
Bangalore

Sir,

With reference to Government Proceedings NO: 4771-2-L.F.108-03 dated the 7th Instant, regarding the site required for the location of NO: 1 Station in connection with the Bangalore Power and Lighting Scheme, I have the honor to state that the site selected and marked out by the Chief Electrical Engineer was shown this morning to the Senior Councillor. Copy of the site plan is being sent to the Senior Surgeon and Sanitary Commissioner for his opinion.

Major Lotbiniere and Mr. Gibbs who met me a few days ago told me that the Station will be an ornamental building. The plan and elevation of the proposed construction will be submitted, on their receipt, for approval of Government.

I have the honor to be

Sir,

Your Most Obedient Servant,

A.D. Wagarkar

President.
